Recent online orders

Search your order history to review the items, shipping details, and invoices of your online and offline orders.

Recent online quote requests

After you've submitted a quote request, you can review it in your quote request history. Once your quote request has been converted to a quote, you can add the quote ID to the "Apply Quote to Order" module in the Shopping Cart to have quote pricing applied to your order.

Approve Pending Orders

You can quickly see and review any orders that exceed a user's purchasing limit.
